UHC – CLAC Tower Renovation Project
Exhibit L – S/MBE Program

Declaration

It is Owner's and Whiting Turner's requirement that Small and Minority Owned Businesses be afforded the maximum practicable opportunity to participate in the performance of The Construction Program's Purchase Orders and Subcontracts.

In order to ensure compliance with this requirement, the following actions should be reviewed:

1. All Subcontractors working on the project must attempt to utilize the aforementioned entities for a **minimum goal of 25 percent** of their contract value (minimum goal of 25% to SBE enterprises, of which a minimum of goal 25% must be awarded to MBE enterprises (6.25% of the overall contract value).
2. This goal should include all Subcontractors, equipment and material vendors including all sub-tier entities to Whiting-Turner. General condition expenditures will also be included in this requirement.
3. Bidders should, as part of their proposals, indicate how they will achieve this goal.
4. Whiting Turner will report monthly to Owner on the status of this program. Subcontractors will be required to report compliance with each application for payment submitted to Whiting Turner each month on form WT-005.

Dollar values and percentages of this contract to be applied to the goal (add more pages if needed):
